

Thermocouples

Sheathed Thermocouple

Series 282

Sheathed Thermocouple with connector
Bending radius of the sheath material $\geq 5x\varnothing d$

Connector

standard connector
 miniature thermocouple connector
 on inquiry

Protection classification

suitable used connector

Application temperature

-200 to +1000°C

Thermo junction

J (Fe-CuNi) DIN EN 60584
 K (NiCr-Ni) DIN EN 60584
 on inquiry

Number of Thermo junction

1 thermocouple
 on inquiry

Sheath diameter

1,5 mm
 2,0 mm
 3,0 mm
 4,5 mm
 6,0 mm
 on inquiry

Sheath material

1.4541
 1.4571
 1.4841
 2.4816
 on inquiry

Measuring point design

insulated of sheath
 welded in sheath

Thermocouples
Sheathed Thermocouple
Series 282

Nominal length L

on inquiry
